As president of the Mogadore Schools Alumni Foundation, I wish to lend my support and encourage others to vote yes on the upcoming school levy. As a 40 plus year educator, I see the value that a great education provides for the students in our school district. Mogadore has a long and proud tradition of supporting their schools, unlike some of our neighboring school districts. I remember growing up on Prospect Street and having neighbors who actively supported our schools. Whether these neighbors were retired, widowed or had no children, they were consistently there for the schools providing the necessary funds to provide the best for the students and the community. As I have now reached the age of some of those former neighbors, I feel a responsibility to also provide the best for our schools. I believe in the local schools and give my support. A local community such as Mogadore is fortunate to still have our local school district. Despite the state of Ohio not addressing the school funding issue, which for decades has been ruled unconstitutional, we have at this time no choice but to support our local schools financially. I encourage those alumni who still reside in the Mogadore Local School District, as well as others, to continue the tradition of excellence by casting a YES VOTE!

Thomas Rauber, president
Mogadore Schools Alumni Foundation
MHS class of 1971
